

Specifications:

wire description	4 conductor (red, yellow, green, black), 0.16x7, aluminum foil shield (0.2x7)
overmold	black PVC
cable outer diameter	3.7 mm
cable material	non UL 60P
cable color	black
cable gauge	AWG #26
cable length	1830 mm
connector description	2.5xL21.6 mm, audio plug 4C with metal ring, brass nickel plated P/N 50-00006
max voltage	300 V/S 0.5mA
max current	2 A

Mechanical drawing:

Wiring diagram:

A	Red Wire
B	Black Wire
C	Green Wire
D	Yellow Wire

tolerance .X: ± 0.5 mm .XX: ± 0.2 mm

Revision notes:

Rev	Date	Description
A	January 19, 2009	Re-issue; original specification issued by CUI, re-issued by Tensility without any material or mechanical changes.
A1	May 11, 2009	added Tensility P/N 50-00006 to specification
A2	August 30, 2011	updated description and part number information

tolerance .X: ± 0.5 mm .XX: ± 0.2 mm
